Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them.

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

The Policy is displayed on the school website, staff and parents are directed to the website to ensure familiarity of all policies.

Roles and responsibilities overview

The Head of Centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of Centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ Regulations for Approved Centres booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4

Heads of Centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments (GR section 1)

The Examinations Officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The Headteacher/Principal on site (the Head of Centre) may not appoint themselves as the Examinations Officer. A Head of Centre and an Examinations Officer are two distinct and separate roles. (GR 2)

The head of centre and/or examinations officer may operate across more than one centre. In such cases the Head of Centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The Head of Centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)
