Student Rewards

There will be many opportunities for students to earn rewards at North Gosforth Academy in line with the school PRAISE Code. Good behaviour and effort in lessons is rewarded with PRAISE stamps which are issued by the class teacher each lesson.

A student will receive at least one stamp per lesson for being **on task, on time and on side**. A maximum of three stamps can be given per student per lesson depending on the level of effort they put into that lesson. These are collected in the student's planner.

Accumulating stamps will allow you to achieve various rewards throughout the year including end-of-year prizes for those students who receive the most stamps in an academic year.

More details on rewards can be found on posters in classrooms.

Student Planners

A planner is given to each student at the start of the year. The planner is an important means of rewarding and sanctioning students and of communicating with parents. Each week planners will be checked to monitor stamps awarded and written comments by staff. Students should have their planner on the desk and opened at the correct page for every classroom lesson. The PRAISE Code stamps earned by the students will count towards the acquisition of PRAISE Code certificates and other rewards which will be regularly presented.

Students must have their planner in order to attend lessons. Any student without a planner will spend the day in isolation.

Should the Diary/Planner be lost or damaged, it must be replaced at a cost of £5.00.

EXCLUSIONS

We may also decide on the length of a fixed term exclusion based on the seriousness of the incident. Following exclusion, students are monitored by the Pastoral Team.

The day following the fixed term exclusion the student **MUST** report to a member of the pastoral team at an arranged time for interview. Under government regulations for fixed term exclusions of 1, 3 or 5 days it is the parents' responsibility to supervise the student away from school at school times.

On the 6th and subsequent days of any fixed-term exclusion the student will be accommodated at a site away from North Gosforth Academy and be monitored by our staff. Students cannot remain at home whilst excluded from the 6th day onward. They must be in supervised exclusion at Gosforth Academy. For Looked After Children this begins after the first day of exclusion.

Permanent exclusions would be as a result of:

- Having received forty five days of exclusion in a year
- Supplying banned substances or appearing repeatedly under the influence of them, carrying them on site for a second time
- Defiance of the Principal
- Assault or serious threat of assault on a member of staff
- Setting off the fire alarm
- Serious or persistent theft

- Carrying an offensive weapon
- Repeated racial or sexual harassment
- Persistent instances of severe bullying
- Severe assault of another student
- Serious malicious allegation against staff
